

NIGERIA AGRINUTRI COMPETITION

Love Without Limits presents a Nigeria AgriNutri Competition on Agriculture and Nutrition for high school (secondary) students and higher institutions (polytechnics and universities) in Nigeria.

GOAL AND OBJECTIVES

Goal:

To drive innovation, collaboration, and solutions that improve food security, enhance agricultural productivity, and address malnutrition.

Objectives:

- Encourage innovation in agriculture and nutrition.
- Promote sustainable agricultural practices.
- Enhance food security and accessibility, especially for low-income populations.
- Combat malnutrition through innovative nutritional solutions.
- Support smallholder farmers to improve their livelihoods.
- Promote equitable participation of women and youth in agriculture.
- Build resilience to climate change in agricultural practices.
- Foster collaboration across sectors and stakeholders.
- Empower youth and entrepreneurs to develop agricultural solutions.
- Influence policy and increase awareness of agriculture and nutrition's role in achieving global development goals (e.g., SDGs).
